Re: Martin & Jeanette Brooks

Dear Nathan:

As you know I have been representing the Liquidation Trustee in the Chapter 11 case of Martin and Jeanette Brooks. The Brooks' Plan in the bankruptcy case was confirmed in March 31, 2004. Any litigation which was pending during the bankruptcy case has been resolved for many many years and there is no litigation pending in the Bankruptcy Court. There is a reference in the form Monthly Operating Report filed by the Liquidation Trustee to pending litigation; however, that reference is in error. Should you or anyone else have any questions regarding the status of this matter, please do not hesitate to contact me.

Very truly yours,

Dictated, but not read.

Jeffrey L. Hartman, Esq.
